ANDREW WESTPHAL PIANIST AND DJ

Andrew Westphal is a professional DJ, award-winning pianist and sole proprietor of Westphal Music—offering custom-tailored wedding entertainment.

Andrew began his career over 20 years ago when he placed first in a young artists competition, performing Rachmaninof's 2nd piano concerto with orchestra. He went on to record and perform a wide range of music, specializing in stride jazz piano.

Andrew's approach is unobtrusive and understated with attention to detail. He provides live piano music for ceremonies or cocktails and non-cheesy DJ entertainment for receptions and after-parties.

From intimate vineyard weddings to grand ballroom celebrations, a successful event begins with the music. **Westphal Music.**
